INVP and its representatives are in compliance with the current registration requirements imposed upon investment advisers by those states in which we maintain clients. INVP may only transact business in those states in which it is registered, or qualifies for an exemption or exclusion from registration requirements. Important information describing INVP’s business operations, services, and fees can be viewed on the SEC’s website at www.adviserinfo.sec.gov. INVP will provide Form ADV Part 2, which serves as the firm’s disclosure document, to all clients. Copies of the Form ADV Part 2 are also available to interested parties upon request.

This Site is published in the United States for residents of the United States. INVP is not soliciting business in international jurisdictions where it is not registered.

Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment or investment strategy (**including** the investments and/or investment strategies recommended or undertaken by INVP) made reference to directly or indirectly by INVP in its Web site, or indirectly via a link to an unaffiliated third party web site, will be profitable or equal the corresponding indicated performance level(s).

Different types of investments and/or investment strategies involve varying levels of risk, and there can be no assurance that any specific investment or investment strategy (including investment strategies detailed on this Web site by INVP) will be either suitable or profitable for a client's or prospective client's portfolio and may result in a loss of principal. Accordingly, nothing on the INVP Web site should be constructed as a solicitation or offer, or recommendation to acquire or dispose of any investment or to engage in any other transaction. INVP does not render or offer to render personal investment advice or financial planning advice through our website. INVP’s specific advice is given only within the context of our contractual agreements with each client. The INVP web site is limited to the dissemination of general information pertaining to its investment advisory and financial planning services. Advice may only be rendered after delivery of Form ADV Part 2 and the execution of an investment advisory services agreement by the client and INVP.
